Meet our 2010 NWA winner—Gaspar!

Name: Gaspar Salazar-Mendez

Parent's Name: Raquel Mendez

Hometown: Albuquerque, New Mexico

High School Attended: West Mesa High School ,

Year @ Northwest College of Art: Freshman

Hobbies: Biking, Jogging, Drawing, Painting, Music,
Movies, Reading Novels

Career Goal: Fine Artist or Director/Animator

Why did you choose the Northwest College of Art?: I
enjoy the cloudy Western Washington sky; also a double major in only 3 years is a good incentive
for staying in school. The small class sizes are great — I appreciate one-on-one learning.

What are your impressions of Poulsbo?: The scenery, the exhilarating explosion of color throughout
the spring and summer, the stormy grey weather in the winter. Poulsbo is very enchanting.

What's attending NWA like?: The Staff is great. The teachers are perfectionists and they are great at
their jobs. The school itself is very beautiful and elegant. It smells very fresh too!

We're still looking for a few good sponsors! Contact Kathi about these 2 great events:
